PROFESSIONAL EXPERIENCE

Edapt Pvt

JUNE 2023 - DEC 2023

Flutter Developer Intern

Utilized the latest features of the Flutter SDK to create dynamic and immersive user experience. Developed a custom UI/UX design for the mobile application that increased user engagement and satisfaction. Developed a mobile application that supported multiple languages and different devices with minimal performance impact. Developed an authentication system with secure user authentication and authorization. Developed custom animations and transitions to improve the user experience and usability of the mobile application.

Armino Technologies

Dec 2023 - Present

Jr.Flutter Developer

As a Flutter Developer at Armino Technologies, I focused on developing robust Android and iOS apps utilizing Flutter and the BLoC architecture, leading to scalable and maintainable codebases. My role involved implementing GraphQL APIs, significantly enhancing data efficiency and UI responsiveness. I contributed to UI/UX design, optimized app performance, integrated secure third-party services, and facilitated team-wide adoption of best practices through workshops.

EDUCATION & CERTIFICATIONS

Bachelor of Business Administration

Earned a BBA from the University of Calicut, focusing on strategic management, finance, and marketing. Led a notable project on market strategies for startups, achieving second place in the university's business plan competition. Actively participated in the Business Students' Association, honing skills in data analysis, business communication, and leadership through various projects and extracurricular activities.
